## Product Description

# White Poria Extract CAS 65637-98-1 magnolia bark extract

## Description

White poria extract is made from the sclerotium of the *Poria cocos* fungus, often known as Poria or Fu Ling. This medicinal fungus has been used in traditional Chinese medicine due to its numerous health benefits. The extract is made by processing and condensing the fungus's advantageous components.

**Main Features:** Natural and Herbal White Poria extract is guaranteed to be natural and herbal because it is derived from the *Poria cocos* fungus. Typically, the extraction method uses alcohol or water to obtain it.

Poria has a long history of usage in traditional Chinese medicine, which places a great value on its potential for medicinal effects.

**Active Ingredients:** A range of bioactive substances, including polysaccharides, triterpenes, and other phytochemicals, are thought to be responsible for the extract's possible health advantages.

## Application

### Benefits to Health:

**Support for the Immune System:** White poria extract is believed to have immune-stimulating properties that assist the body's natural defense mechanisms.

**Effects on Inflammation:** It is widely known to possess potential anti-inflammatory properties that may help reduce inflammation and lessen the signs and symptoms of inflammatory illnesses.

**Antioxidant Activity:** Poria extract contains antioxidants that can protect cells from oxidative stress and reduce the damage that free radicals can cause to them.

**Digestive maintain:** It has historically been used to help relieve gastrointestinal distress, maintain healthy digestion, and promote overall digestive well-being.

Sometimes used as a sleep aid and relaxation aid, white poria extract helps promote restful sleep patterns and reduce stress.

### Application:

**Natural Supplements:** White poria extract is often used in natural medicines and dietary supplements that target immune system function, inflammation, digestive health, and overall well-being.

**Traditional Medicine:** It has been used to cure a variety of ailments, including fatigue, insomnia, and digestive problems, in traditional Chinese medicine.

**Skincare Products:** Poria extract is occasionally included to skincare products due to its potential anti-inflammatory and antioxidant benefits for the skin.

**Uses in Cooking:** Poria is a common culinary ingredient, particularly in soups and herbal teas.

## FAQ

### How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often.

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

### Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

### How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of

ingredients and finished products.
