

Ubidecarenone CAS 303-98-0 Essential Support for Heart Health, Energy Production, and Antioxidant Defense

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-CAS 303-98-0
- Minimum Order Quantity: 1KG
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 2000T

Product Specification

- Shelf Life: 2 Years
- Product Name: Ubidecarenone
- CAS NO: 303-98-0
- Purity: 99%

Product Description

Product Description

Name:	coenzyme Q10
CAS No. :	303-98-0
Formula:	C ₅₉ H ₉₀ O ₄
M. Wt. :	863.344
Solubility:	soluble in water

Description

Discover the benefits of Ubidecarenone (CAS 303-98-0), also known as Coenzyme Q10 (CoQ10). This premium compound offers essential support for heart health, energy production, and antioxidant defense. Ubidecarenone plays a crucial role in cellular energy production, helping to enhance stamina and reduce fatigue. With its powerful antioxidant properties, it neutralizes harmful free radicals, promoting overall health and well-being. Ubidecarenone is known for its potential in supporting cardiovascular health, maintaining healthy blood pressure levels, and supporting heart muscle function. Additionally, it may contribute to neurological health by providing neuroprotective benefits and supporting cognitive function. Unlock the potential of Ubidecarenone (CAS 303-98-0) and incorporate it into your daily routine for a healthier and more vibrant life.

Application

Ubidecarenone, also known as Coenzyme Q10 (CoQ10), is a naturally occurring compound found in the body. It plays a vital role in cellular energy production and has several potential uses and benefits. Here are some common applications and usages of Ubidecarenone (CAS 303-98-0):

Heart Health: Ubidecarenone is often used to support cardiovascular health. It is believed to help maintain healthy blood pressure levels, support heart muscle function, and improve overall heart health. It may also help reduce the risk of certain cardiovascular conditions.

Energy Production: Ubidecarenone is involved in the production of adenosine triphosphate (ATP), which is the primary source of energy for cells. Supplementation with Ubidecarenone may help enhance energy levels, reduce fatigue, and improve stamina.

Antioxidant Support: Ubidecarenone is a powerful antioxidant that helps neutralize harmful free radicals in the body. It may help protect cells from oxidative damage, support the body's natural defense systems, and promote overall health and well-being.

Neurological Health: Some research suggests that Ubidecarenone may have neuroprotective properties and support brain health. It may help reduce the risk of neurodegenerative diseases, improve cognitive function, and support overall neurological well-being.

Skin Health: Ubidecarenone is sometimes used in topical skincare products due to its antioxidant properties. It may help reduce the appearance of wrinkles, promote skin hydration, and support overall skin health.

It's important to note that while Ubidecarenone has shown promising results in various areas, further research is still needed to fully understand its mechanisms and optimal dosages for different applications. As with any dietary supplement or ingredient, it's advisable to consult with a healthcare professional before starting or making changes to your supplementation routine.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
