

## 99% purity D-Glucan CAS 9012-72-0

### Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-9012-72-0
- Minimum Order Quantity: 1KG
- Price: CN¥163.59 - CN¥348.51
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 20000T

### Product Specification

## Product Description

### **Description**

Our D-Glucan is meticulously produced using state-of-the-art manufacturing processes, ensuring the highest purity and quality standards. It is widely recognized for its exceptional properties and versatile applications in the chemical industry.

With its CAS number 9012-72-0, our D-Glucan offers unmatched reliability and consistency, making it a preferred choice for customers worldwide. Its outstanding solubility and stability make it suitable for a wide range of formulations.

Our D-Glucan finds extensive use in the production of adhesives, coatings, and sealants, where it enhances the performance and durability of the final products. Additionally, it serves as a crucial ingredient in the manufacturing of pharmaceuticals, cosmetics, and personal care products, adding value with its unique properties.

By choosing our D-Glucan, you can rely on its exceptional quality, strict adherence to safety standards, and compliance with regulatory requirements. We prioritize customer satisfaction and guarantee prompt delivery, ensuring that you receive your order on time.

Experience the excellence of our D-Glucan, CAS: 9012-72-0, and unlock the true potential of your chemical formulations. Contact us today to discuss your requirements and discover how our premium D-Glucan can elevate your products to new heights.

### **Application**

D-Glucan, CAS: 9012-72-0, offers a wide range of applications across various industries. Its versatility and unique properties make it a valuable ingredient in many formulations. Here are some common usage areas for D-Glucan:

1. **Pharmaceutical Industry:** D-Glucan is widely utilized in the pharmaceutical industry for its immunomodulatory properties. It is often incorporated into medications and supplements to support immune system function and promote overall health.
2. **Cosmetics and Skincare Products:** Due to its moisturizing and skin-soothing properties, D-Glucan is a popular ingredient in cosmetics and skincare formulations. It helps to hydrate the skin, improve its elasticity, and reduce the appearance of fine lines and wrinkles.
3. **Food and Beverage Industry:** D-Glucan is commonly used as a natural food additive and dietary supplement. It can be found in various food products, including soups, sauces, and beverages, where it acts as a thickening agent and stabilizer.
4. **Nutraceuticals:** D-Glucan is often incorporated into nutraceutical products due to its potential health benefits. It is believed to support cardiovascular health, aid in digestion, and promote overall well-being.
5. **Industrial Applications:** D-Glucan finds applications in the industrial sector as well. It is used in the production of adhesives, coatings, and sealants, where it enhances the bonding strength and improves the overall performance of the final products.
6. **Agricultural Industry:** D-Glucan is utilized in the agricultural sector as a plant growth regulator. It can stimulate plant growth, improve crop yields, and enhance resistance to environmental stressors.

It is important to note that the specific usage and recommended dosage of D-Glucan may vary depending on the industry and intended application. It is always advised to consult industry guidelines, regulatory requirements, and experts in the field to determine the appropriate usage for your specific needs.

### **Advantage**

1. Firskey (Wuhan) continues to make efforts to steadily offer clients high-quality items. We have put in place a reliable internal quality management system and are always working to increase quality, decrease deviation, and eliminate waste.
2. If you have any questions, don't hesitate to ask them; we'll get back to you within 48 hours.
3. After getting the items, if you have any questions, don't hesitate to get in touch with us. We promise to compensate you in full if we were the source of the loss.

### **FAQ**

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.

2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

**Which delivery alternatives are available?**

***All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.***

**How are your products verified?**

***We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.***

**Does a discount apply to large orders?**

***After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.***

**What forms of payment do you accept?**

***We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.***

**Do you deliver to parcel lockers at PO boxes?**

***YES, we could deliver to parcel lockers at PO boxes!***

**Can I get a tracking number from you?**

***We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.***
