

Cas 879496-95-4 Euterpe oleracea, ext. factory supply hot selling high purity with best price

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-CAS 879496-95-4
- Minimum Order Quantity: 1KG
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 2000T

Product Specification

- Product Name: Euterpe Oleracea, Ext.
- Shelf Life: 2 Years
- CAS NO: 879496-95-4
- Purity: 99%

Product Description

Product Description

Product Name:	Acai Berry Extract
Basic information	The acai berry is a fruit grown on a palm tree in Latin America. The acai palm tree mainly grows in South America and is often found in swamps or beaches. Acai Berry Extract is extracted from acai berry, and the main ingredient in the extract is Vitamin C.
Appearance:	Magenta powder
Usage	1. High concentration of antioxidant ingredients, 33 times that of red wine, can lower blood pressure and prevent thrombosis; 2. High content of beneficial fatty acids can maintain the balance of human blood lipids and reduce the incidence of hyperlipidemia, diabetes and heart disease; 3. A lot of dietary fiber; 4. Rich in amino acids;

Description

CAS number 879496-95-4 corresponds to an extract derived from *Euterpe oleracea*, commonly known as acai. Acai is a palm tree native to the Amazon rainforest in Brazil and is highly valued for its nutritional and potential health benefits. The extract from *Euterpe oleracea* (acai extract) is obtained from the berries of the plant and is known for its rich content of antioxidants, essential fatty acids, and other bioactive compounds.

Acai extract is often marketed as a superfood due to its nutrient profile and potential health-promoting properties.

Application

Here is a description of some of the key components and characteristics of acai extract:

Antioxidant activity: Acai extract is known for its high antioxidant capacity. It contains a variety of antioxidants, such as anthocyanins, flavonoids, and vitamin C. These compounds help protect the body's cells from oxidative stress caused by free radicals, which are associated with various chronic diseases.

Nutritional content: Acai extract is a rich source of essential nutrients. It contains vitamins (such as vitamin A, vitamin C, and vitamin E), minerals (including potassium, calcium, and magnesium), and dietary fiber. It also contains beneficial fats, particularly omega-3, omega-6, and omega-9 fatty acids.

Potential health benefits: Acai extract has been associated with several potential health benefits, although further research is needed to establish conclusive evidence. Some of the suggested benefits include:

Supporting heart health: The antioxidant and anti-inflammatory properties of acai extract may contribute to cardiovascular health by reducing oxidative stress, improving lipid profiles, and promoting healthy blood flow.

Boosting immune function: The high vitamin C content in acai extract can support immune system function and help protect against infections.

Supporting skin health: Acai extract's antioxidant properties may help protect the skin from damage caused by free radicals, potentially contributing to anti-aging effects and promoting overall skin health.

Supporting cognitive function: Some studies suggest that acai extract's antioxidant and anti-inflammatory properties may have a positive impact on brain health and cognitive function.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
