Description

The CAS number 65637-98-1 corresponds to White Poria Extract, which is derived from the fungus Poria cocos, also known as the white poria mushroom. White Poria Extract has been used in traditional Chinese medicine for centuries and is known for its potential health benefits

Application

Here is a description of White Poria Extract:
Botanical Source: White Poria Extract is derived from the sclerotium (a compact mass of hardened fungal mycelium) of the Poria cocos fungus, which is a species of mushroom commonly found in East Asia.
Active Compounds: White Poria Extract contains several bioactive compounds, including polysaccharides, triterpenes, and other secondary metabolites. Polysaccharides, in particular, are believed to contribute to the health-promoting properties of the extract.
Health Benefits: White Poria Extract is associated with various potential health benefits. Some of these include:
Immune Support: The polysaccharides present in White Poria Extract have been studied for their potential immunomodulatory properties, which may help support a healthy immune system.
Anti-Inflammatory Effects: White Poria Extract is believed to possess anti-inflammatory properties, which may help reduce inflammation in the body. It may be used to support joint health and alleviate symptoms associated with inflammatory conditions.
Antioxidant Activity: The extract contains antioxidants that can help neutralize harmful free radicals, potentially reducing oxidative stress and supporting overall cellular health.
Digestive Health: White Poria Extract has been traditionally used for its potential benefits on the digestive system. It may help promote healthy digestion, support gut health, and relieve digestive discomfort.
Formulations: White Poria Extract is available in various forms, including powders, capsules, and liquid extracts. It is often used as an ingredient in dietary supplements, herbal remedies, and traditional medicine formulations.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often
1. Please let me know which products you require and how many of each you need.

2. We will provide you with the best pricing right away, including delivery charges.

3. If the price seems reasonable to you, you can select a payment option to complete the transaction.

4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?
All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?
We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?
After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?
We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?
YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?
We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
