

Sodium L-pyroglutamate cas 28874-51-3 Unleashing the Potential of a Prominent Cognitive Enhancer

Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-CAS 28874-51-3
- Minimum Order Quantity: 1KG
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 2000T

Product Specification

- Shelf Life: 2 Years
- Product Name: Sodium L-pyroglutamate
- CAS NO: 28874-51-3
- Purity: 99%

Product Description

Product Description

Product Name:	Sodium L-pyroglutamate
Synonyms:	Sodium L-pyroglutama,sodium L-pyrrolidone carboxylate,Sodium pyroglutamate
CAS:	28874-51-3
MF:	C ₅ H ₆ NNaO ₃
MW:	151.096
solubility	Soluble in water
form	White liquide

Description

Sodium L-Pyroglutamate (CAS 28874-51-3), a renowned compound known for its cognitive-enhancing properties. Experience a new level of mental clarity, focus, and memory retention with this powerful nootropic. Sodium L-Pyroglutamate has gained popularity for its potential to optimize brain function and support mental performance. Here's why our Sodium L-Pyroglutamate product stands out:

Cognitive Enhancement: Sodium L-Pyroglutamate is a top choice for individuals seeking to enhance their cognitive abilities. It may improve memory consolidation, boost focus and concentration, and enhance overall mental clarity. Unleash your cognitive potential and unlock peak mental performance.

Mood and Stress Management: Sodium L-Pyroglutamate may have a positive impact on mood and stress levels. It is believed to promote a sense of calmness and relaxation, helping to reduce anxiety and stress. Elevate your mood and achieve a balanced state of mind.

Energy and Mental Fatigue: Combat mental fatigue and enhance your energy levels with Sodium L-Pyroglutamate. It may provide a natural energy boost and promote mental alertness, enabling you to stay focused and productive throughout the day.

Neuroprotection: Research suggests that Sodium L-Pyroglutamate possesses neuroprotective properties. It may help protect brain cells from oxidative stress and age-related damage, contributing to long-term brain health and vitality.

Athletic Performance: Sodium L-Pyroglutamate is recognized for its potential benefits in sports nutrition. It may enhance athletic performance by improving mental stamina, reaction time, and focus. Push your physical limits and achieve peak performance.

Application

Sodium L-pyroglutamate (CAS 28874-51-3) is a compound known for its potential cognitive-enhancing properties. It has been used in various applications to support brain health and mental performance. Here are some common usages of Sodium L-pyroglutamate:

Cognitive Enhancement: Sodium L-pyroglutamate is often used as a nootropic, a substance that may improve cognitive function. It is believed to enhance memory, focus, and overall mental clarity. It may support learning abilities and promote optimal brain performance.

Mood and Stress Management: Sodium L-pyroglutamate has been studied for its potential mood-balancing effects. It may help reduce stress, anxiety, and mood swings. By promoting a sense of calmness and relaxation, it may contribute to overall emotional well-being.

Energy and Mental Fatigue: Sodium L-pyroglutamate is sometimes used to combat mental fatigue and boost energy levels. It may provide mental alertness and a sense of mental clarity, enabling individuals to stay focused and productive for longer periods.

Neuroprotection: Some research suggests that Sodium L-pyroglutamate may possess neuroprotective properties. It may help protect brain cells from oxidative stress and age-related damage, potentially supporting long-term brain health.

Athletic Performance: Sodium L-pyroglutamate has been explored for its potential benefits in sports nutrition. It may enhance athletic performance by improving focus, reaction time, and mental stamina. It may also help reduce exercise-induced fatigue.

It's important to note that further research is needed to fully understand the extent of Sodium L-pyroglutamate's benefits and its mechanisms of action. As with any dietary supplement or compound, it's advisable to consult with a healthcare professional before using Sodium L-pyroglutamate for specific health purposes, especially if you have underlying medical conditions or are taking other medications.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
