

99% purity Chondroitin Sulfate Sodium Salt CAS 9082-07-9

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-9082-07-9
- Minimum Order Quantity: 1KG
- Price: CN¥213.38 - CN¥355.62
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 20000T

Product Specification

Description

Introducing our premium Chondroitin Sulfate Sodium Salt, CAS 9082-07-9, a high-quality chemical compound that is revolutionizing the field of industrial chemicals. As a leading supplier of top-notch chemical raw materials, our company is dedicated to providing you with the finest ingredients for your manufacturing processes.

Chondroitin Sulfate Sodium Salt, also known as chondroitin sulfate, is a vital component found in connective tissues, such as cartilage and tendons. Our meticulously produced Chondroitin Sulfate Sodium Salt, CAS 9082-07-9, offers exceptional purity and quality, ensuring optimal performance in a wide range of applications within the chemical industry.

One of the key advantages of our Chondroitin Sulfate Sodium Salt is its remarkable ability to support joint health and promote cartilage integrity. It plays a crucial role in maintaining the structure and function of joints, making it an essential ingredient for formulations targeting joint health supplements, pharmaceuticals, and nutraceuticals.

Our Chondroitin Sulfate Sodium Salt, CAS 9082-07-9, is meticulously manufactured under stringent quality control measures to meet the highest industry standards. It is free from impurities and contaminants, ensuring its safety and reliability for use in your manufacturing processes. With our Chondroitin Sulfate Sodium Salt, you can have confidence in incorporating a premium ingredient into your products.

The versatility of our Chondroitin Sulfate Sodium Salt makes it an indispensable component in various industrial applications. Its beneficial properties make it an excellent choice for the development of joint support supplements, where it helps to enhance joint mobility and reduce discomfort. Additionally, it can be utilized in pharmaceutical formulations targeting osteoarthritis and other joint-related conditions.

Incorporating our Chondroitin Sulfate Sodium Salt, CAS 9082-07-9, into your chemical products will undoubtedly set them apart from the competition. Its exceptional joint health benefits and versatile applications make it a must-have ingredient for any forward-thinking company in the chemical industry.

Choose our Chondroitin Sulfate Sodium Salt and elevate your manufacturing processes to new heights. Experience the transformative power of this remarkable compound and deliver exceptional results to your customers.

To order our Chondroitin Sulfate Sodium Salt or to learn more about our wide range of chemical raw materials, please contact us today. We look forward to assisting you in achieving your product goals.

Application

Chondroitin Sulfate Sodium Salt, CAS 9082-07-9, has various applications in different industries. Here are some common uses of Chondroitin Sulfate Sodium Salt:

1. **Dietary Supplements:** Chondroitin Sulfate Sodium Salt is widely used as a dietary supplement to support joint health. It is commonly combined with other ingredients like glucosamine to provide comprehensive support for maintaining healthy cartilage and reducing joint discomfort. Chondroitin Sulfate Sodium Salt helps to promote joint flexibility, improve mobility, and support overall joint function.
2. **Pharmaceuticals:** Chondroitin Sulfate Sodium Salt is utilized in pharmaceutical formulations targeting joint-related conditions. It is commonly incorporated into medications and treatments for osteoarthritis, a degenerative joint disease. Chondroitin Sulfate Sodium Salt helps to relieve pain and improve joint function in individuals with osteoarthritis.
3. **Cosmetics:** Chondroitin Sulfate Sodium Salt is sometimes used in cosmetic formulations, particularly skincare products. It is believed to have moisturizing and hydrating properties that can benefit the skin. Chondroitin Sulfate Sodium Salt may be included in creams, lotions, and serums to provide hydration, promote skin elasticity, and support a youthful appearance.
4. **Veterinary Products:** Chondroitin Sulfate Sodium Salt is also used in veterinary medicine. It can be found in supplements or medications designed to support joint health in animals, particularly in pets and horses. Chondroitin Sulfate Sodium Salt helps to alleviate joint discomfort and promote mobility in animals with joint-related issues such as osteoarthritis.
5. **Research and Development:** Chondroitin Sulfate Sodium Salt is of interest in scientific research and development. It is studied for its potential therapeutic applications, particularly in the field of regenerative medicine and tissue engineering. Researchers investigate its role in promoting cartilage growth and repair, as well as its potential use in developing novel treatments for joint diseases and injuries.

It's important to note that the specific usage and concentration of Chondroitin Sulfate Sodium Salt may vary depending on the intended application and formulation. It is recommended to consult with industry professionals, adhere to regulatory guidelines, and conduct appropriate testing to ensure the safe and effective use of Chondroitin Sulfate Sodium Salt in specific products or processes.

Advantage

1. Firsky (Wuhan) continues to make efforts to steadily offer clients high-quality items. We have put in place a reliable internal quality management system and are always working to increase quality, decrease deviation, and eliminate waste.
2. If you have any questions, don't hesitate to ask them; we'll get back to you within 48 hours.
3. After getting the items, if you have any questions, don't hesitate to get in touch with us. We promise to compensate you in full if we were the source of the loss.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
