Product Description

Honeysuckle Extract CAS 84603-62-3 sweet tea extract

Description

Honeysuckle (*Lonicera japonica*) blooms are used to manufacture honeysuckle extract, which has a variety of health advantages. Traditional medicine has used it for centuries due to its health benefits.

Principal Components:

Natural and Botanical: The extract is extracted from the honeysuckle plant's flowers, ensuring its natural and botanical provenance.

Its therapeutic benefits are linked to a range of bioactive components, including flavonoids, phenolic acids, and essential oils.

Honeysuckle extract is extensively utilized in herbal medicines and aromatic items due to its pleasant, flowery aroma and taste.

Application

The benefits of honeysuckle extract for health include its strong anti-inflammatory and antioxidant qualities, which help shield cells from oxidative stress and lessen inflammation in the body.

Immune Support: It is well recognized to strengthen the immune system, which may improve the body's ability to fight off infections and advance general health.

Respiratory Health: Traditionally, honeysuckle extract has been used to enhance respiratory health, which includes easing sore throats, lowering phlegm, and treating coughs.

Skin Health: The benefits of this may include smoothing out skin irritations, encouraging a healthy complexion, and having anti-aging properties.

Utilization:

Traditional Medicine: Due to its many medicinal benefits, honeysuckle extract has been utilized in traditional Chinese medicine as well as other traditional medical systems.

Herbal Supplements: It is frequently included in herbal supplements that promote respiratory health, immunity support, and general well-being.

Cosmetics & Personal Care goods: Because of its calming and moisturizing qualities, honeysuckle extract is used in a variety of skincare and cosmetic goods, such as lotions, creams, and soaps.

Aromatic Products: Honeysuckle extract is a common ingredient in perfumes, candles, and other aromatic products because of its pleasing scent.

Advantage

1. Firsky (Wuhan) continues to make efforts to steadily offer clients high-quality items. We have put in place a reliable internal quality management system and are always working to increase quality, decrease deviation, and eliminate waste.

2. If you have any questions, don't hesitate to ask them; we'll get back to you within 48 hours.

3. After getting the items, if you have any questions, don't hesitate to get in touch with us. We promise to compensate you in full if we were the source of the loss.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
