

Good Price 99% Purity CAS 7564-64-9 3-METHYLPENTANE-1,3,5-TRIOL

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Firsky
- Model Number: FS-CAS 7564-64-9
- Minimum Order Quantity: 1KG
- Packaging Details: 1kg, 5kg, 15kg, 20kg, 25kg can be packed in different specifications. Packaging can be customized according to customer requirements. Aluminium foil bag and carton.
- Delivery Time: 7-15days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 2000T

Product Specification

- Product Name: 3-METHYLPENTANE-1,3,5-TRIOL
- CAS NO: 7564-64-9
- Purity: 99%
- Shelf Life: 2 Years

Description

Our company specializes in the distribution of a wide range of chemical raw materials. 3-METHYLPENTANE-1,3,5-TRIOL is a versatile chemical compound with potential applications across various industries.

In the pharmaceutical sector, 3-METHYLPENTANE-1,3,5-TRIOL can serve as an important intermediate or starting material in the synthesis of pharmaceutical compounds. Its unique structure and reactivity make it suitable for the production of specific drugs, pharmaceutical intermediates, or chemical building blocks, contributing to advancements in the pharmaceutical field.

Additionally, 3-METHYLPENTANE-1,3,5-TRIOL finds potential usage in the formulation of cosmetics and personal care products. It can act as a humectant or moisturizing agent, helping to retain moisture in the skin or hair. It can be incorporated into various products, such as lotions, creams, serums, and hair care formulations, to provide hydrating and moisturizing effects.

Moreover, 3-METHYLPENTANE-1,3,5-TRIOL presents opportunities for research and development purposes. Its versatile structure can be leveraged in scientific investigations, such as organic chemistry, materials science, or biochemistry. It can be used as a building block or a starting material in the development of new compounds, reactions, or processes.

At our company, we prioritize strict quality control measures to ensure the highest standards of our products. Our comprehensive range of chemical raw materials, including CAS 7564-64-9, 3-METHYLPENTANE-1,3,5-TRIOL, caters to the diverse requirements of our esteemed customers.

For further information or specific product inquiries, please do not hesitate to contact us. Our dedicated team is committed to providing excellent service and assisting you in finding the optimal solutions for your chemical raw material needs.

Application

CAS 7564-64-9, 3-METHYLPENTANE-1,3,5-TRIOL, is a chemical compound with potential applications in various industries.

1. **Pharmaceutical Industry:** 3-METHYLPENTANE-1,3,5-TRIOL may serve as an intermediate or starting material in the synthesis of pharmaceutical compounds. Its unique structure and reactivity make it suitable for the production of specific drugs, pharmaceutical intermediates, or chemical building blocks.
2. **Cosmetics and Personal Care Products:** 3-METHYLPENTANE-1,3,5-TRIOL can find use in cosmetics and personal care products. It may act as a humectant or moisturizing agent, helping to maintain moisture in the skin or hair. It could be used in the formulation of various products, such as lotions, creams, serums, and hair care products.
3. **Research and Development:** 3-METHYLPENTANE-1,3,5-TRIOL might be used in research laboratories for various scientific investigations. Its versatile structure can offer opportunities for the development of new compounds, reactions, or processes in fields such as organic chemistry, materials science, or biochemistry.

Advantage

1. Firsky (Wuhan) continues to make efforts to steadily offer clients high-quality items. We have put in place a reliable internal quality management system and are always working to increase quality, decrease deviation, and eliminate waste.
2. If you have any questions, don't hesitate to ask them; we'll get back to you within 48 hours.
3. After getting the items, if you have any questions, don't hesitate to get in touch with us. We promise to compensate you in full if we were the source of the loss.

FAQ

How do I make a purchase?

We advise that you speak with our customer support personnel before placing an order because the market price of chemical raw materials fluctuates often

1. Please let me know which products you require and how many of each you need.
2. We will provide you with the best pricing right away, including delivery charges.
3. If the price seems reasonable to you, you can select a payment option to complete the transaction.
4. After we confirm your payment, your shipment will be wrapped and dispatched within 24 hours.
5. Two days after the package is sent out, a tracking number and packing photo will be provided.
6. We wish you a wonderful shopping experience and encourage you to get in touch with us if there are any problems.

Which delivery alternatives are available?

All Fushikai orders are shipped from Japan using FEDEX, UPS, DHL, Airmail, Surface Mail, EMS (Japan Post), and Economical Air (SAL). Depending on the various nations, we will select the best choice. Once payment has been received, the approximate delivery time is 5-7 working days.

How are your products verified?

We use our own quality control team to inspect each batch of products. Only at least 98% of pharmaceutical raw materials are used in the synthesis process, rather than cheap sources that are replicated using discarded chemical ingredients. Multiple tests are conducted using cutting-edge equipment to ensure perfect accuracy in determining the potency, purity and quality of ingredients and finished products.

Does a discount apply to large orders?

After your order reaches a particular value, there is a large discount. Several seasonal sales and promotions are available from us.

What forms of payment do you accept?

We accept payments with Western Union, Bitcoin, e-transfers, bank transfers, MoneyGram, and Alipay in addition to all other forms of cryptocurrency.

Do you deliver to parcel lockers at PO boxes?

YES, we could deliver to parcel lockers at PO boxes!

Can I get a tracking number from you?

We will provide you the tracking number and some images of the items you ordered as soon as the shipment is planned. For the most up-to-date tracking updates, please go to our preferred site.
